The Honorable Ted Cruz
United States Senate
Russell Senate Office Bldg. #404
Washington D.C., 20510

Dear Senator Cruz,

I am writing this letter, on behalf of the Escapees RV Club, to ask for your support of HR 759, a bill that clarifies and makes permanent the right of the Alabama-Coushatta Tribe of Texas to operate its Naskila Gaming facility under the Indian Gaming Regulatory Act ("IGRA.")

The members of the Escapees RV Club constitute approximately 20,000 registered voters in Polk County—approximately 40% of Polk County's registered voters.

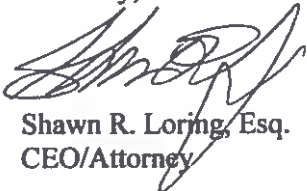

As you may know, the Alabama-Coushatta Tribe through its Naskila Gaming facility supports more than 650 jobs, making it the second largest employer in the county. Moreover, Naskila Gaming has an annual economic impact of \$150 million, in East Texas.

Additionally, the Traditional Kickapoo Tribe, in Eagle Pass Texas, continues to operate a facility substantially similar to that of Naskila Gaming, as it has since 1996, without objection from the State of Texas. Naskila Gaming, in contrast, is threatened due to a conflict between two federal laws, a conflict the State of Texas maintains precludes the Tribe from gaming under IGRA.

Your support of HR 759, which unanimously passed the U.S. House of Representatives, would end the inequitable treatment of the Alabama-Coushatta Tribe and would enable continuation of the economic prosperity Naskila Gaming brings to East Texas.

I urge you to stand with us in support of the Alabama-Coushatta Tribe of Texas. And, I thank you for your attention to this important matter.

Sincerely,

Shawn R. Loring, Esq.
CEO/Attorney
