Re: HR 759 and the Alabama-Coushatta Tribe of Texas

Dear Senator Cruz,

The Alabama-Coushatta Tribe of Texas, through the operation of its Naskila Gaming facility, are a big part of the economic development in this Southeast Texas region. This facility has employed 561 fulltime employees. They inject \$139.6 million a year into the Texas economy. This is a huge deal for small business owners like myself, located in Tyler County. The jobs, revenue and visitors this has brought to our community (Tyler & Polk County) was very much needed and greatly appreciated.

I, Ronnie Walling (Walling Signs & Graphics) am respectfully requesting that you support this bill in the Senate, and assure the Alabama-Coushatta Tribe of Texas will receive the federal recognition they need to continue to operate Naskila Gaming. This gaming operations has had a positive impact on our State and County, and we feel they should be given protection to continue.

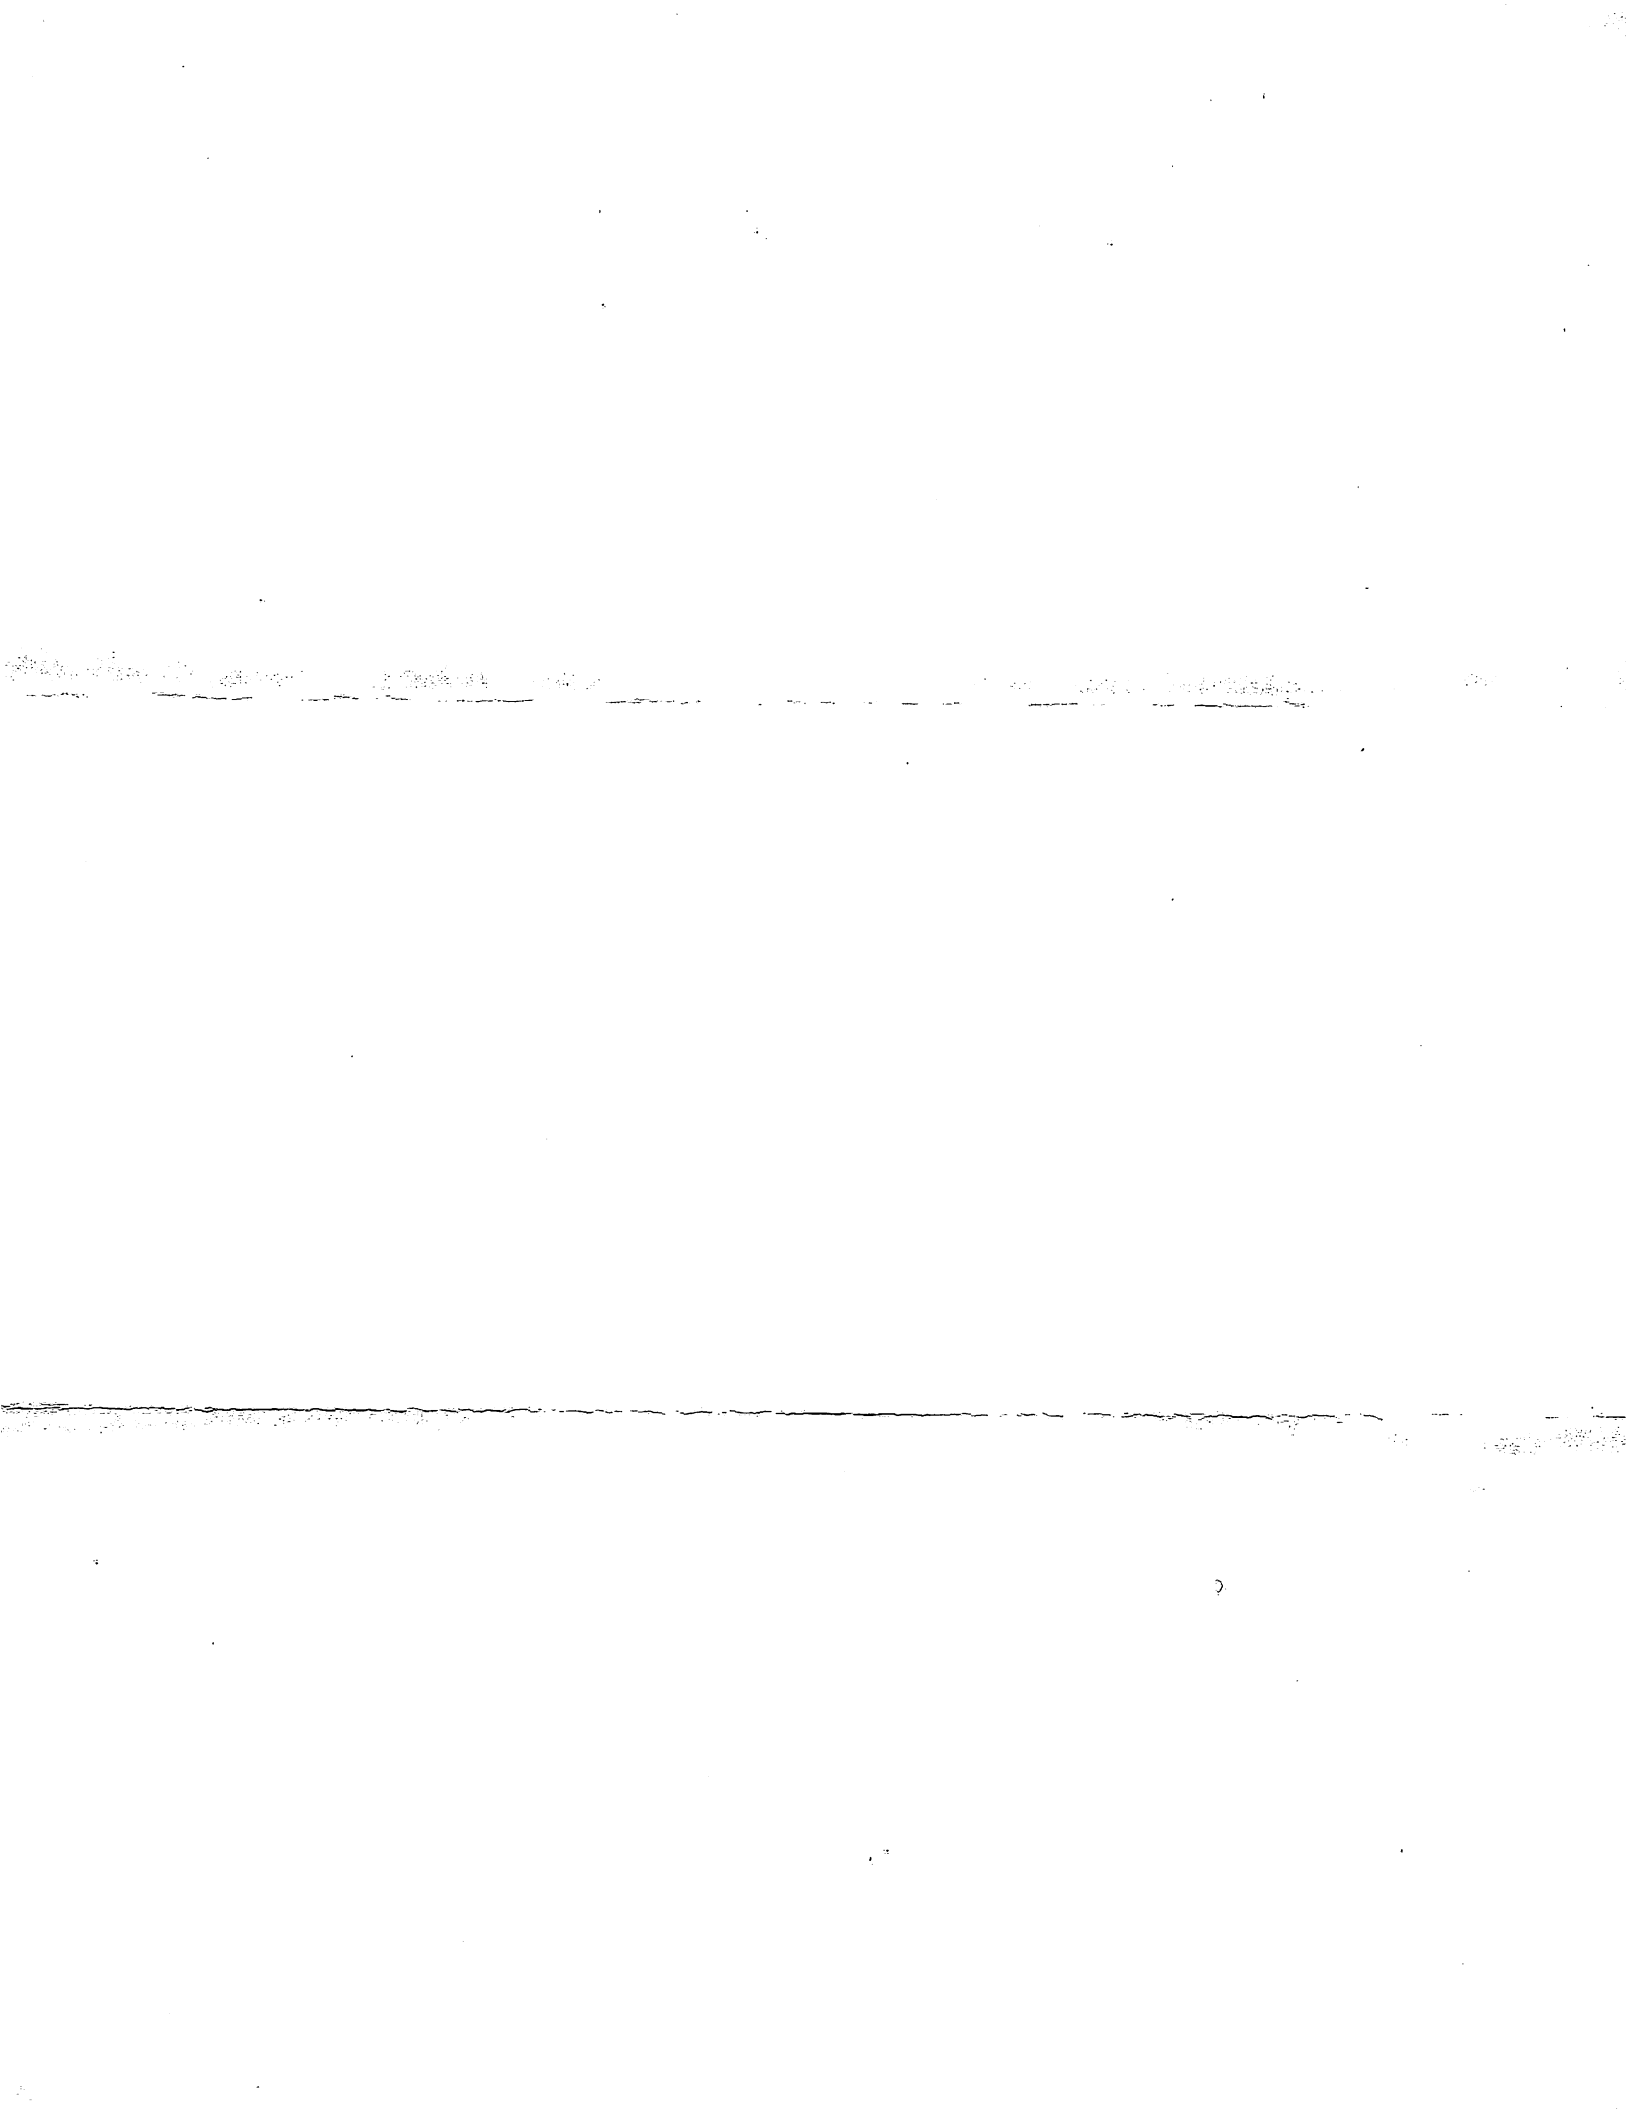

Please support H.R. 759, the Equal and Fair Opportunity Act of 2019, filed by Representative Brian Babin.

It is vital to our entire community that the Alabama-Coushatta Tribe of Texas receive the federal protection to continue its Naskila Gaming operations.

Thank you for your attention in this matter.

Sincerely,
