Re: H.R. 759 and the Alabama-Coushatta Tribe of Texas

Dear Senator McConnell,

I'm writing this letter to ask for your immediate and unwavering support of HR 759, legislation that clarifies once and for all the right of the Alabama-Coushatta Tribe of Texas to offer electronic bingo under the Indian Gaming Regulatory Act ("IGRA"). The Tribe's electronic bingo operation at its Naskila Gaming facility, located on tribal land, has made it the second largest employer in Polk County, supporting more than 650 jobs and injecting \$150 million annually into the East Texas economy.

As you know, there are three federally recognized Native American Tribes in Texas. While the Traditional Kickapoo Tribe in Eagle Pass Texas has operated an electronic bingo facility since 1996 without objection from the State of Texas, the ability for the Alabama-Coushatta Tribe to continue its electronic bingo operations is in limbo due to a conflict between two federal laws, a conflict the State maintains precludes the Tribe from gaming under IGRA. It is long past time to end this inequitable treatment.

HR 759, which unanimously passed the U.S. House of Representatives earlier this year, provides for equitable treatment of all three Texas tribes, and affirms the sovereign right of the Alabama-Coushatta and the Ysleta del Sur Pueblo to offer electronic bingo on their tribal land. Senate passage of this bill is critical to preserving hundreds of East Texas jobs, as well as important education, healthcare and housing programs that extend far beyond the Tribe and into the surrounding communities.

The Greater Houston Asian community strongly supports the fair treatment of the Alabama-Coushatta Tribe and the affirmation of its ability to offer electronic bingo. We are joined by more than 50 organizations across East Texas that have voiced their support through resolutions, including Texas GOP party chairs, chambers of commerce, city councils, churches and businesses.

I urge you to stand with us in support of the Alabama-Coushatta Tribe of Texas and the critical East Texas jobs and economies that depend on its electronic bingo operation by voting for HR 759.

Sincerely,

Wea Lee
